

HUNTSVILLE SOCCER CLUB - FRIEND REQUEST POLICY

The Huntsville Soccer Club grows every year. Due to the volume of players and an unmanageable number of special requests, we do not accept friend requests.

Please understand that our primary goal is for all players to have a positive and enjoyable experience playing soccer, and we work very hard to create balanced teams across all divisions. Note: that since all teams in an age division play at the same time & place, carpooling will not be an issue.

Factors considered while creating teams:

- Even distribution of Boys and Girls in mixed divisions
- Even distribution of Rep players in applicable divisions
- Even distribution of ages within each division

The following special situations will be accommodated:

- Coaches will be matched with their children
- Sponsors will be matched with their children
- Siblings will be matched together
